As a grandfather, I'm greatly concerned about the current direction of Australian society, and the resulting impact on families.

What sort of world will our grandchildren inherit?

FamilyVoice Australia has been a trusted Christian voice for many years, consistently speaking out for what is good, right and true. I am confident that FamilyVoice will continue influencing society for good in the years to come - especially as the need for a clear Christian voice becomes greater than ever.

May your investment bless the next generation.

HOW WILL MY BEQUEST BE USED?

The amount you bequeath to us will be pooled into our Investment Fund which will then generate income. The revenue will be used to help FamilyVoice influence and shape society, ensuring that your gift will continue giving for years to come.

Established in 1979, the Fund is subject to annual audit, and is managed by Trustees who are appointed by the National Executive.
